5. Your lesson plan will be de-identified by Elizabeth Arauz before being placed in the lesson review queue.
6. Within two weeks of submission, a pair of reviewers/coaches will reach consensus to either accept your lesson to the Bank as submitted, or to return your lesson with comments for revisions needed to meet the criteria for acceptance. Reviewers will use the **KYAE Guide for Lesson Planning** found at <http://kyae.ky.gov/educators/sbiplanning.htm> as criteria for acceptance.
7. If your lesson is accepted, you will receive notification of its posting in the Bank with the identifier information reinstated. If revisions are needed, you are encouraged to work with your coach to make changes and resubmit your lesson.

Note: All sections of the Lesson Plan Template must be completed for acceptance to the Lesson Bank. Incomplete plans will be returned.
